Corona
06516 Large White

Simple, expandable and affordable storage. Horizontal Towel Store features three glass shelves, and four compartments. Vertical Towel Store features three glass shelves and four storage compartments. Both are available in REM Black, White, Twilight and Moonlight colours.

Combi, stylish steel towel store. Wall mounted, can be positioned horizontally or vertically. Available 06510 Black, 06511 White and 06512 Silver.

Corona, a new robust design. Wall mounted, two sizes to suit. Available 06516 Large White as shown, 06517 Small Black, 06518 Small White and 06515 Large Black.

Colour Store

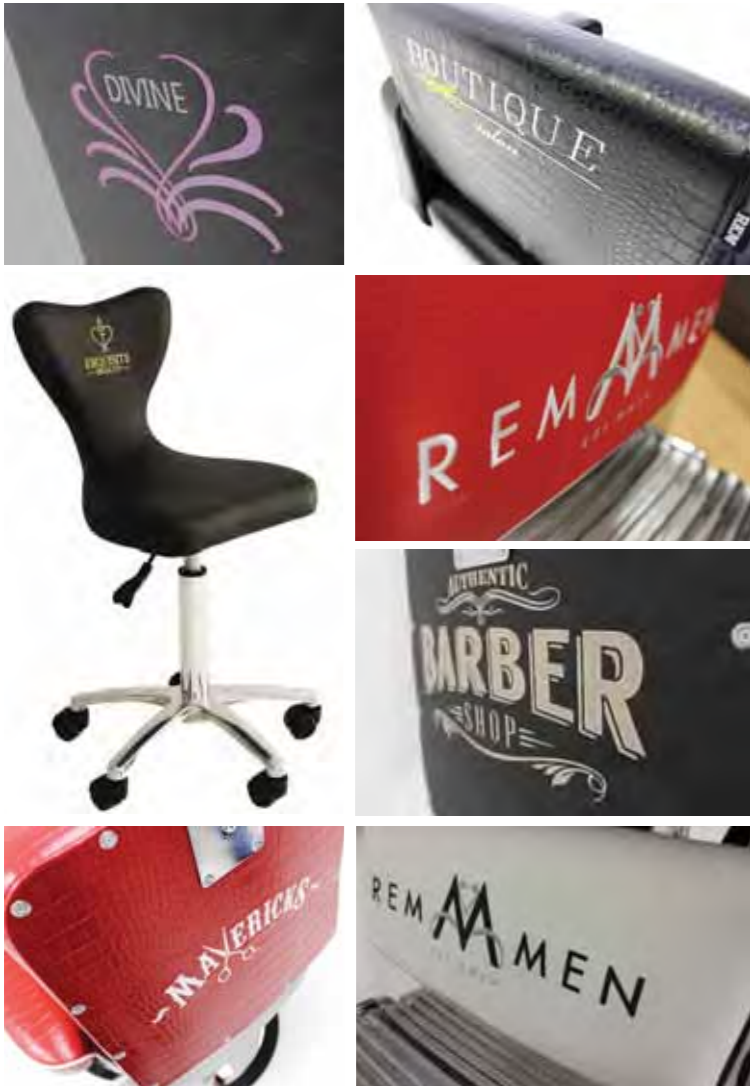

06502
Colour Store

An efficient storage solution from REM. Wall mountable product display with dividers providing 12 compartments for colour tints etc. Can be mounted horizontally or vertically. Two or more can be combined (as shown above) to create a complete wall storage. Supplied flat pack. Available in REM Black only.

REM Brand

Why not take the opportunity to brand your furniture with your corporate logo. Embroidered branding can be added to most REM upholstered products but is limited to 2 size options:

Large - 300 x 300mm
Small - 150 x 150mm

All we need from you to carry out this service is your corporate logo design in JPEG format and we'll do the rest.

Dimensions quoted in this catalogue are in centimetres. However if size is crucial, especially on larger pieces you need to fit in particular spaces, please ensure that you obtain precise measurements and discuss any queries with our technical staff. All products are subject to availability.

Please refer to page 183 for guidance on the correct disposal of unwanted electrical appliances. This is applicable to all REM electrical products.

Disposal of Your Old Appliance

The crossed-out wheeled bin symbol which you will find on the 'Rating Plate' attached to your product, or appearing in the Assembly/Operating Instructions, signifies an obligation by the purchaser or owner, to dispose of the equipment in accordance with the European Directive 2002/96/EC. This is a statutory instrument commonly known as the 'WEEE Regulations', which effectively requires you to carry out disposals of all Electrical and Electronic Equipment separately from your usual waste facilities. Specialist waste controls, designated by the Government (or Local Authorities) are to be made available to prevent potentially harmful substances affecting the environment and causing a possible human and animal health risk. More information is available from your local Environmental Health Office, Local Authority Waste Disposal Service, or the sales point from which the product was originally purchased.

REM Colours have been carefully selected to enhance and complement your choice of salon furniture.

REM Design

Ideal salons from start to finish.

REM's talented salon designers use industry leading CAD software combined with their long experience of salons to produce your ideal salon.

To start out on your ideal salon journey call REM to arrange a site visit. Our experienced consultant will discuss your requirements and carry out a detailed site survey from which our design team will generate a 2D floor plan and a 3D view so you can see your perfect salon before you commit. This service is available at £450 +vat and refundable on placement of order over £3000 in value.

REM Bespoke

You've looked through our catalogue and seen our extensive product range, but you have something slightly different in mind? REM have complete manufacturing facility, and together with our in-house design department we are able to respond to the salon that wants something different or specific to their business.

REM Bespoke can be accessed through any REM Distributor nationwide, and can include a salon visit by an REM Salon Specialist followed by detailed plans and, if required, 3D visuals before the salon commits.

REM Brand

Personalise your products in style with REM Brand REM's new embroidery service. Available on all Styling Chairs, Barbers Chairs and Stools you can have your corporate logo applied to your seating. All you have to do is supply us with a full colour JPEG of your logo and we will do the rest. Please note – this service is an optional extra and may affect delivery time by 1 to 2 weeks. See page 170 for more information and images.

REM Fit

REMfit is the division of REM providing a service that brings your dreams to reality. REM's Project Manager works closely with our experienced Design Team at inception, through to completion creating a fully functional working environment to help drive your business to success.

Using a network of tried and tested industry specific contractors, let REMfit take the burden of managing your Salon refit and achieve your vision of the future.

REM Commitment

REM has made every effort to ensure that the products presented in this catalogue are as the original. To provide the highest levels of product quality, we may from time to time alter the material specification of our products, any such change will not significantly alter the look or functionality. Dimensions quoted are accurate. However if size is crucial, especially on larger pieces you need to fit in particular spaces, ensure that you obtain precise measurements and discuss any queries with our technical staff. All products are subject to availability.
